“Conflict Minerals” – Compliance Statement**

DRC - Conflict Free

Dear Valued Customer,

Pursuant to U.S. Securities and Exchange Commission 17 CFR Parts 240 and 249b, Section 1502 on various aspects of the Exchange Act Section 13 (p), Rule 13p-1 and item 1.01 of Form SD as relating to disclosure regarding the use of “Conflict Minerals”;

This is to certify that Performance Coatings International Laboratories, LLC is DRC Conflict Free and do not use any conflict minerals that include Tantalum, Tin, Gold or Tungsten from the Democratic Republic of Congo or adjoining countries. Conflict minerals are not necessary to the functionality of our chemicals nor used in the production of any product manufactured in this facility or used with our customers’ products.

Performance Coatings International Laboratories, LLC manufactures high performance radiation (UV/EB) curable polymeric formulations used for technical thermoplastics and glass substrate materials.

Sincerely,
